- It is planned to computerize the office in phased manner

Out come at the end of the year

The outcome at the end of the year was discussed with lecturer in charge of all departments in the last week of March, 2012 and the following are the conclusion arrived at.

- As per the action plan the innovative teaching learning methods prepared by faculty and students were successfully implemented.
- As per the schedule the curricular and co – curricular activities were under taken
- With the guidance of staff members, students from each and every class submitted five study projects in their subjects.
- Apart from curricular activities education on value orientation has been taken up by conducting lectures and seminars.
- Community oriented activities to the fullest extent possible were undertaken by National Service Scheme Volunteers & NCC cadets.
- Class rooms were constructed
- At our research centre more research papers were published in National and international Journals.
- Staff who are in M.Phil. on FDP programme have published more papers in the national and international Journals.

<p>Part B:</p> <p>1. Activities reflecting the goals and objectives of the institution</p>	<ul style="list-style-type: none"> ➤ Students belonging to below poverty line cannot afford education in corporate colleges. ➤ Hence this institution caters to the needs of rural students belonging to all vulnerable categories of the society by charging moderate fees. ➤ Students belong to SC/ST/BC and listed minorities who are below the poverty line are provided with financial aid by way of scholarships and fee exemption. ➤ In respect of other caste students belonging to poor and meritorious sectors, the college welfare committee takes care of them by way of paying the fee and providing books and accommodate as free hosteller in the college managed hostel
<p>2.</p> <p>New Academic programmes initialed (UG & PG)</p>	<p>Nil</p>
<p>3.</p> <p>Innovations in curricular design and transactions</p>	<ul style="list-style-type: none"> ➤ Every year the Board of Studies will meet to design the curriculum and syllabus of theory and practicals and weightage of marks which includes the curriculum and co curriculum and value based education. However some innovative teaching learning methods are identified and these are put into practice by the faculty to the best of their ability.
<p>4.</p> <p>Inter-disciplinary programmes started</p>	<ul style="list-style-type: none"> ➤ Efforts are being made to impart teaching in inter disciplinary related subjects wherever possible. For example Indian Heritage and culture and Introduction to computers are the foundation subjects at first year UG level, and environmental Studies is the foundation subject at Second year UG level and Science and Technology Development in the III Year UG level

<p>5.</p> <p>Examination reforms implemented</p>	<p>➤ Examination reforms implemented in this college relates to the strengthening of home examinations conducted in this institution which includes formulation of semester wise schedule of class tests, monthly tests, mid semester examinations. They are conducted under strict supervision of the faculty and marks obtained by the students are displayed on respective department notice boards and students who are below average are offered remedial coaching. Meritorious students in the internal examination are rewarded with prizes. Reference books in all subjects are made available in the library for the benefit of the students.</p>
